PRESTON NORTH END v. HULL CITY

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

SOME BAD LUCK, BUT BRIGHTER SIGNS

IN SPITE of some bad luck in our last home match North End are doing better, and we hope this improvement will be continued to-day with, at last, at least one goal for our supporters to cheer in a Saturday first team game. A change from meagre rations is long overdue.

We feel there would have been a different story with a vestige of good fortune in the last home game against Queen's Park Rangers who won rather against the run of play by two-nil. They counted themselves rather fortunate to get away with both points all circumstances considered.

Three major incidents of the sort experienced by teams going through a bad patch altered the trend of the match in that they resulted in an undeserved defeat, as the great majority of our supporters agree. First there was a dramatic hooked hit-or-miss clearance off the line when a shot by Ernie Hannigan was going in.

Then Springett brought off what looked like a marvellous spectacular save, perfectly judged, from a goalworthy effort by Jimmy Forrest. He managed it only by his finger tips, turning the ball just round the post.

Alan Kelly achieved a similar fine save before the interval arrived without a goal to either side. A mix-up in defence resulted in the Rangers taking the lead, but directly afterwards Bill Cranston, with a powerful drive, crashed the ball against the far post off which it rebounded into Springett's arms.

CLUB NOTES—*continued*

North End kept on attacking but not surprisingly felt it was not their day when another breakaway and another muddle in defence let in Q.P.R. for a second and deciding goal. This is what ex-England goalkeeper, Ron Springett, had to say about two of the escapes.

"I did not think I had a chance with Forrest's unexpected attempt, but I could not just stand there and watch it go in. I flung myself in its direction and was lucky enough both to get a touch and see the ball deflected outside. Oftener than not you turn them in with that kind of save. I must have been an extra yard forward and it made the difference. As for Bill Cranston's shot I never even saw the ball until it bounced back at me. Dead lucky!"

In the meantime North End made a good capture by signing experienced Derek Temple from Everton for the highest fee paid by the club, and early signs are that he will be a very good buy. He scored both our goals in a heartening and hard earned win on his debut at Plymouth last Saturday.

His second was a brilliant solo effort worth going a long way to see. He beat two opponents skilfully on the run, retained composure and finished with a great shot. Let us hope it was the forerunner of many more. This timely second away win should have restored some confidence.

"Nobby" Lawton last week was transferred to Brighton. He has been a fine, unsparing servant of North End who will always be rembered for his part in the 1964 Cup Final, and we take this opportunity of wishing him success with his new club.

SALVATION ARMY APPEAL

HISTORY. The Salvation Army is just over one hundred years old. Founded by William Booth as a Christian force to combat the appalling poverty, evil and distress which abounded in Victorian England, the Army has gone from strength to strength. To-day this organised expanding force in Britain alone numbers 100,000 volunteers, each dedicated to do everything possible to transform the lives of unfortunate people.

TO-DAY'S PROBLEMS. It is very easy to turn a blind eye or a deaf ear to the conditions under which some people exist. Reasons for passing by on the other side are not hard to find. But someone *must* face the problems. The fact is that the welfare state simply cannot cope with all the problems that exist in this country to-day. The numbers in need in Britain in 1967 are staggering — 400,000 deprived children, 675,000 elderly neglected, 400,000 social misfits. Lists of figures however long, however huge, are hardly able to convey the sorrow and heartbreak of the individual cases. The Salvation Army is dedicated to help these inarticulate groups of homeless, the victims of broken homes, the unmarried mothers, the teenage delinquents and all the casualties of our modern society.

"THE APPEAL." All funds raised by the Army's urgent drive will be spent exclusively in Britain. To help meet the challenge of to-day's pressing social problems The Salvation Army must up-date its social services, must expand into more and more new centres. An ambitious total of twenty-eight new social projects are under way.

New hostels, maternity homes, goodwill centres, homes for children, "Eventide Homes" for the old and more clubs, all are desperately needed. The collection target is £1 million. The theme of the appeal is "For God's sake care, give us a pound."

Compared with the need £1 seems very little to ask of every family in Britain.

OUR VISITORS—*Cardiff City*

WE GIVE a cordial welcome to Cardiff City, "The Bluebirds" as they are known in South Wales, and sincerely ask our supporters to do likewise. It is a meeting of former First Division clubs who have experienced the ups and downs of League football and know what it is to struggle in the belief that better times will come.

In successive seasons Cardiff have only just managed to avoid relegation to Division III. Last May they finished one position higher than Northampton Town and Bury, who went down. This season they are faring better. It is the club's 41st year as members of The Football League.

Elected to Division II in 1920 the team justified faith in their future by at once gaining promotion to the First Division with 58 points, and stayed in the top group for eight seasons. During this period Cardiff became the first club to take the F.A. Cup out of England by beating Arsenal at Wembley in 1927.

Two seasons followed in the Second Division. It was an unhappy phase for Cardiff. In 1931 the club went into Division III (South) and stayed there until 1947. The next five seasons were spent in the Second Division, but although promotion was achieved in 1952 Cardiff were relegated again after five years.

Their next Second Division spell lasted three seasons. Back in the First Division they once again suffered a drop in 1962 and have since remained in their present company. Cardiff's League record is : Division I, 15 seasons ; Division II, 16 seasons ; Division III, nine seasons, excluding 1967-68.

OUR VISITORS—*continued from page 9*

Founded in 1889 as "Riverside," Cardiff became a professional club with their present name in 1910 and earnestly undertook a pioneering role for soccer in a hotbed of rugby union. They were members of the Southern League 1913-15 and during the first season after World War I.

North End first played Cardiff City in February, 1922, at Ninian Park in Division I, losing 0-3. The biggest win was on December 13th, 1930 in Division II. George Bargh, now our chief coach, contributing three goals, Bill Tremelling two, and Jimmy McClelland two to a win 7-0 win.

Following is a record of post-war P. N.E. v. Cardiff match results :—

Year	*Division*	*home*	*away*	*Year*	*Division*	*home*	*away*
1949-50	II	3-0	2-3	1960-61	I	1-1	0-2
1950-51	II	1-1	2-0	1962-63	II	2-6	1-1
1952-53	I	2-3	2-0	1963-64	II	4-0	4-0
1953-54	I	1-2	1-2	1964-65	II	1-1	3-3
1954-55	I	7-1	5-2	1965-66	II	9-0	3-1
1955-56	I	1-2	1-3	1966-67	II	4-0	0-4
1956-57	I	6-0	3-2				

It will be noticed what a spate o fscoring there has been in the last few years — 84 in 18 matches ; also that Cardiff have won at Deepdale four times ! Ninian Park also has been a good hunting ground for North End in spite of the heavy defeat there last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
